

POSTGRADUATE BURSARY / SCHOLARSHIP OPPORTUNITIES

OFFICE OF RESEARCH DEVELOPMENT

NELSON MANDELA

UNIVERSITY

This booklet provides a list of the major funding opportunities available for postgraduate studies at the Nelson Mandela University, South Africa. Some of the funding opportunities listed in this booklet are administered by the Office of Research Development (RD) located on the South Campus, Main Building, 13th Floor. However, other opportunities are administered by external bodies and students are therefore encouraged to visit the useful websites provided in this booklet. The RD department encourages students to regularly check their student emails for updates on available postgraduate bursary / scholarship opportunities.

Students may also view the latest opportunities from the RD's website:

The Office of Research Development (RD) is located within the Research and Engagement (R&E) division. RD focuses its activities around:

- the development of new and emerging researchers
- providing access to funding opportunities for postgraduate students (Honours, Masters and Doctoral).

We recognize that life has more to offer than just studies and we are also interested in equipping tomorrow's leaders – young adults who are going to set the academic, professional, and artistic agenda of the future. Whether you are from South Africa, other parts of Africa or overseas, we embrace the quality and diversity of students who come to Nelson Mandela University. Scholarships and Bursaries, we offer are one of the ways Nelson Mandela University can support you to achieve your academic goals.

PLEASE NOTE:

The scholarships and bursaries listed in this booklet will open for application for the 2021 academic year with various stated deadlines, unless otherwise specified. In the majority of cases interested students must apply for postgraduate funding support preceding the year of study for registration toward their postgraduate Honours, Masters or Doctoral degree (e.g. students should apply by the deadlines in 2020, for 2021 academic year).

***For academic year 2022** - Applicants should apply by the deadlines in 2021 for 2022, unless otherwise specified.

IMPORTANT INFORMATION

1. Your student number must appear in **ALL** correspondence.
2. For external bursary/scholarship applications, an official academic record (on Nelson Mandela University letterhead) must be attached. Should any qualification have been obtained at another university, the relevant academic records must accompany the application form.
3. It is your responsibility to ensure that all sections of the application form are thoroughly completed and that the necessary documents are attached. Incomplete and late applications will automatically be disqualified.
4. Bursaries/Scholarships administered by Nelson Mandela University are usually paid out in two installments – one per semester, following receipt of a satisfactory progress report.
5. Nelson Mandela University reserves the right to claim reimbursement of the bursary/scholarship amount awarded to a student if the student does not successfully complete their studies.
6. Before applying for an externally funded scholarship opportunity, make sure that you meet the minimum requirements set by such an organization and attach the required documentation to the application letter/form.
7. Office of Research Development usually sets an “internal” closing date for scholarships offered by national statutory bodies (e.g. NRF and Council funding) in order that applications may be validated in time for the “official” closing date. It is your responsibility to ensure that you know which closing date applies to you and that your application is handed in on time.
8. Ad hoc scholarship opportunities are posted on the Nelson Mandela University Student Portal as well as the RD’s website and Facebook page. It is your responsibility to look at these notice boards regularly.
9. Office of Research Development communicates with students via **MEMO-student email**. Students are expected to check their **MEMO-student email** addresses regularly.
10. Postgraduate bursaries/scholarships are not awarded automatically. Please refer to the Nelson Mandela University’s Postgraduate Funding Policy on the awarding of bursaries and scholarships.
11. Although great care has been taken in the compilation of this booklet, the University cannot accept responsibility for any inaccuracies that may occur.
